VIRTUAL REALITY:
SOCIAL INTERACTION
STUDY

We are recruiting participants for a VR study to understand how people respond to different social interactions.

Complete a **60-minute** virtual/in person study and earn **US $30** e-gift card/cash! You will go through a couple VR simulations and answer survey questions

You may qualify for the study if you:
(1) identify as a person of color
(2) are fluent in English
(3) are 18-30 years old
(4) live in Dallas-Fort Worth area OR have Oculus Rift/Rift S VR headset and Windows computer
