President Nelson: Kelly our secretary is out with pneumonia. Last week it was an –itis and not it’s pneumonia. So send her an email at kpearson@smu.edu. With that I’ll be doing her report First up is t-shirts. We’ll be ordering t-shirts for the general board. Here’s the basic design. It’s pretty simple. So

what we're going to do is decide on colors. So if there are any colors for shirt background please raise your placard and we can vote on that.

Vote for shirt background: Yale Blue wins (14 votes)

Now with that we'll vote on the letters of the shirt. What color letters would y'all like to see on this Yale Blue background?

Vote for letter color: White wins (16 votes)

Multicultural/Daniel House: Do we have to wear the shirts at every meeting?

President Nelson: Yes, you do.....no you really don't have to wear it unless you feel like it. I'm not going to make you have a uniform for these meetings

Treasurer Matthews: I don't have anything this week.

President Nelson: Laura's not here. And she had nothing to say

Issues and Community Standards: We'll be changing our meetings to right after general assembly meeting. We're getting ready for Hall Improvement Funds. They're due October 31st.

Community Service: The first project will be SMU Rides, this Friday, October 5, 2004 from 10:00 pm to 3 am. Basically you'll be providing a service to some students who don't feel comfortable driving themselves home after a fun-filled night of socializing. If you want to know more about it please let me know or contact the chair. Also, there is another incentive, b/c if you look at your handy dandy points sheet, you get points for participating in Community Service. 5 to be exact. So it would behoove you to get going in that area.

McElvaney: What would we be doing?

SMUSH (Michael): You'll be sitting in a room and calling cabs for people who aren't driving.

Cockrell-McIntosh (Cat): Do you have to stay the whole time?

Treasurer Matthews: No they're not going to make you stay the whole time.

President Nelson: Any other questions? Okay, we'll move right into programming. That's me. Coming up we'll be having Blockbuster at the tanning pool. It was planned for next week Wednesday, but since Kelly is out of commission there is a chance that we will be moving that date to later. So look out for publicity and watch your emails.

Recognition (President Nelson): We didn't have any Kudos this week. Sad day. But never fear you can still do them for next week, just look at the website at people.smu.edu/rha/ under member resources for the form. It's fun to give Kudos and even more fun to receive them.

Conferences (President Nelson): Our first conference is fast approaching. It's SWACURH, November 8 – 11. We'll be going to Louisiana and that'll be fun. We'll be picking delegates soon and that'll be fun. And driving in a motor vehicle, and missing school and all of that will be fun.

President Nelson: Okay if you know that there is someone in your hall council that isn't showing up, and they have no reason not to, please tell them they need to come because it actually hurts your hall when your members don't come. Also, does anyone have their access forms? Alright, one. Please print those out. I'll send you guys instructions via email. Okay, we'll now move into Hall Reports. First up is Boaz.
