Last week's minutes: Jason Moved

Amanda Seconded.

Ebonii: We have a speaker here.

Rachel: Hi my name is Rachel. I'm here from career center advocates. What we do is basically are trying to get the word out about the career center. A lot of people think that just because you are a freshman you don't need to know about the center. They can help you with finding a job, resumes, how to interview, and what to not put on your facebook or myspace. We are trying to find ways to get out to the community about the career center. I have sheets for more information about how to get the word out. Stated mission statement. Mustang trak is like monster.com for SMU. There are councilors for everyone. I am asking you to go back to your halls and let me know if you want me or anyone else to come and speak to the hall about.

Secretary Pearson: Nothing.

Vice President Bradley: Nothing.

Issues and Community Standards: We will meet today. Last time we were still working on finding a speaker.

Community Service: We are going to have a meeting after this meeting today. I have two more projects we just need to assign.

Programming: We are doing homecoming please sign up for the activities you would like to participate in over on the side table.

Conference: SWACURH is fast approaching...we still have one more in the summer. We might do the roll call for you all.

Recognition: We are still working on end of semester banquet. Invites. Point update!

President: I gave you all little questionnaire things. Ill collect those later. Bring me access forms. It came up about getting shirts for other hall councils. Right now with our budgets it is not looking to good. If the rest of your people want them we can work out something like selling them.

Played Zip-Zap-Zop.

Hall Reports

Boaz: Meeting last night finalized Halloween party plans party on Monday. Had custodial appreciation day. Put up posters and little bags of candy. RA/homecoming program-welcome home to soldiers.

Ebonii: Your program is on the best day ever.

Cockrell-McIntosh: We decorated hall. Roommate has been pilfering decorations. No Halloween party. Christmas/thanksgiving party instead. Doing cookies for each hall/floor. Introducing themselves with tiff's treats. Daisy is writing up hall improvement forms. Oktoberfest-doing beer pongish game. Posters getting stolen.

Christy: Can we put up a fake tree I asked and we are not allowed.

Prostaff-one tree is allotted per building. No restrictions to putting up a Christmas tree religiously.

People could bring their own decorations from within the hall. We don't know if we can do lights.

Amanda: you can have an ornament decorating party.

We have a good number of openings. If you want to live there please give us your info and we can help you out that way. House dinners every week. Everyone is invited. Just let me know so we can let you in. This week Thursday at 8ish. Any questions just ask. Applications due on the 9th.

Shuttles: Halloween-go around with candy introduce ourselves. Whatever floor wins the community service program will win the Halloween party. RA on floor is putting on program...pumpkin carving contest. 75 and lemmon.
